How do you do?

00:00:46 Speaker 2

It's my privilege today to talk with Colonel William B Bates about his own personal history, as well as the history and development of the Texas Medical Center.

00:00:56 Speaker 2

Colonel Bates is laminate lawyer in Houston with many years standing.

00:01:00 Speaker 2

He originates from East Texas many years ago with a fascinating.

00:01:05 Speaker 2

Colonel Bates, as I recall, you first begin your education and more or less a room schoolhouse up West of Nacogdoches someplace.

00:01:14 Speaker 2

Ultrarunner schoolhouse well so well.

00:01:19 Speaker 2

My English school was in two rooms upstairs main stairs but later just became one teacher school.

00:01:29 Speaker 2

What sort of teachers would go to a schoolhouse like that in those days?

00:01:34 Speaker 2

Oh, course.

00:01:36 Speaker 2

We have very few teachers in the county right there over the Bin Laden sound System Learning Institute.

00:01:43 Speaker 2

But the professional left to have.

00:01:47 Speaker 2

Also later on it was a Presbyterian community and our minister who was a pH.

00:01:55 Speaker 2

A retired ministry became a teacher and of course we don't have really about tired, but I'm not hungry.

00:02:05 Speaker 2

They knew what to do.

00:02:08 Speaker 2

Able to teach him the community they knew.

00:02:11 Speaker 2

I assume you were raised on a family farm typical of East Texas in those days.

00:02:16 Speaker 2

What sort of family, what size family did you come from?

00:02:20 Speaker 2

We had a Boost Mobile phone with.

00:02:21 Speaker 2

Just the father mother.

00:02:23 Speaker 2

We had 15 children when diving in France in two years old list I'm going to be brewing.

00:02:31 Speaker 2

In their own statement, community or something.

00:02:36 Speaker 2

I guess I was the first one to leave with you.

00:02:39 Speaker 2

Why did you leave to pursue an education and federal education rules?

00:02:44 Speaker 2

Professional to let my turn in 18.

00:02:55 Speaker 2

I have little store in the post office. Got the post Office 23 I believe.

00:03:01 Speaker 2

And we left already found the Magnus.

00:03:07 Speaker 2

Our school teacher come to school, teacher was running from the Pain Boys and girls from college and also from taking the examination for teacher certificates.

00:03:19 Speaker 2

Was teaching very big but 6 miles away.

00:03:22 Speaker 2

So whether mother looks to me just older sister, just sharing.

00:03:30 Speaker 2

I mean, I just grew.

00:03:32 Speaker 2

But I got a teacher certificate.

00:03:35 Speaker 2

We don't come to school for a year when we went to Sam Houston Normal Institute at Huntsville New Sam Houston State University.

00:03:45 Speaker 2

You mentioned a while back something very interesting to me.

00:03:48 Speaker 2

If it didn't have to meet, well, you did have to meet certain entry requirements.

00:03:52 Speaker 2

Actually, they were quite flexible.

00:03:54 Speaker 2

That'll help beginning tonight.

00:03:55 Speaker 2

The waitress to finish high school before the university.

00:04:00 Speaker 2

Taking the full power bullets 40 years, that's great, but how much for about those days was?

00:04:06 Speaker 2

2nd Western World Wars Two would let you.

00:04:11 Speaker 2

Either take the subject should quantify the take, and I suppose lift it to the student himself.

00:04:18 Speaker 2

Pretty well what he could do.

00:04:20 Speaker 2

They were willing to accept you on the basis of what you felt you could achieve.

00:04:24 Speaker 2

Educated woman straight.

00:04:26 Speaker 2

Want to get back to the farm.

00:04:28 Speaker 2

Just a moment, Colonel Bates, 12 children.

00:04:30 Speaker 2

That's quite a family.

00:04:31 Speaker 2

How those are fine of East Texas in the 90s support.

00:04:36 Speaker 2

I would push for live off the farm.

00:04:37 Speaker 1

Other families.

00:04:39 Speaker 2

We raise practically everything.

00:04:41 Speaker 2

We have plenty of chickens and eggs and.

00:04:45 Speaker 2

Hugs booth.

00:04:48 Speaker 1

Do you have map?

00:04:48 Speaker 2

Yeah, I mean sugar cone, we maybe we should.

00:04:51 Speaker 2

Have had a cash crop in those days or.

00:04:53 Speaker 2

How did you?

00:04:53 Speaker 2

Produce all the cash crop was mainly cotton.

00:05:00 Speaker 2

And so we have a sev two through the gallons of syrup.

00:05:04 Speaker 2

And sometimes calling the post level was cotton.

00:05:09 Speaker 2

With the syrup production from the sugar cane, of course, I think you told.

00:05:14 Speaker 2

Me one time.

00:05:15 Speaker 2

The mybase wages were there days work where the ground is.

00:05:20 Speaker 2

Fish oil, one of those little scarce those bullet agreed with tension and.

00:05:26 Speaker 2

Mr treated Miss Boulter where?

00:05:30 Speaker 2

For a bushel of corn.

00:05:32 Speaker 2

We always had clean, clean Casella or getting the syrup would be getting those work.

00:05:39 Speaker 2

I'm not sure we got a cotton chopped before we got little carbon feet.

00:05:45 Speaker 2

And now back to the education.

00:05:49 Speaker 2

We decided to bring over to Sam Houston State Normal.

00:05:52 Speaker 2

Did you have in mind a long career program?

00:05:55 Speaker 2

I heard that from early beginning.

00:05:58 Speaker 2

That was the basis of your decision there.

00:06:02 Speaker 2

Well, I suppose because I'm the country.

00:06:06 Speaker 2

The temporal Bone Devil Canyon type with three professions.

00:06:11 Speaker 2

The Minister, the doctor had some type of murder.

00:06:16 Speaker 2

Was there any big professional person about their?

00:06:20 Speaker 2

All you could select from within your own experience would be.

00:06:23 Speaker 2

One of those.

00:06:23 Speaker 2

Three professional so then Sam Houston was a stepping point to law school.

00:06:30 Speaker 2

I typed 2 country schools for this university one before.

00:06:34 Speaker 2

Went to Huntsville.

00:06:36 Speaker 2

Murder Mystery, I finished touch.

00:06:40 Speaker 2

These days you could enter law school directly without all the if it was submerged.

00:06:46 Speaker 2

And heads equivalent to high school education.

00:06:52 Speaker 2

We've given up into the middle school.

00:06:56 Speaker 2

And this is University of Texas at.

00:06:57 Speaker 2

Austin, actually, and I believe your brother went there.

00:07:01 Speaker 2

With the Azure group.

00:07:03 Speaker 2

And also I've heard that when you graduated, you were up among within that class, if I'm not mistaken under one.

00:07:23 Speaker 2

Have a good school.

00:07:26 Speaker 2

Tribe taught my brother and me into taking the little academic with University of Houston and we were really should have more preparation, but we wouldn't hurt it.

00:07:39 Speaker 2

So we insisted on going within our scope.

00:07:42 Speaker 2

Of course, I Robin properly prepared, but through hard work study.

00:07:47 Speaker 2

The thing that really appealed by Woodbridge would type in the players, would you?

00:07:54 Speaker 2

I'm sure you did assist in your own support during those years of Austin.

00:07:57 Speaker 2

Made the entire expenses.

00:08:00 Speaker 2

Sort of drives them to do.

00:08:02 Speaker 2

First year ever worked in China would cost just across.

00:08:06 Speaker 2

So probably from the university with the front door, we might say university restaurant.

00:08:13 Speaker 2

And next door to try to recover frozen one of us.

00:08:17 Speaker 2

To pull home.

00:08:19 Speaker 2

And buy new job number 7, another abstract his attention.

00:08:24 Speaker 2

And 2nd year?

00:08:25 Speaker 2

He implored me.

00:08:29 Speaker 2

Attention with approved.

00:08:32 Speaker 2

I have little bad plan for you like this.

00:08:36 Speaker 2

Attention to the duties at the restaurant seemed to be posting anyway.

00:08:42 Speaker 2

I like a boom.

00:08:44 Speaker 2

From the pool hall at night will be another study in two years because.

00:08:50 Speaker 2

Probably over this fear of people, sometime you have the little fellow engaged patients are doing to get.

00:08:58 Speaker 2

Second, within evening activities in particular.

00:09:04 Speaker 2

My closest friend was.

00:09:06 Speaker 2

Training our rabidly bobbed and later was Speaker of the House and Attorney General and incredible civil appeals.

00:09:16 Speaker 2

General Highway Commission.

00:09:21 Speaker 2

There's more part overnight.

00:09:23 Speaker 2

And I will understand again when we get somebody else, so we may be.

00:09:28 Speaker 2

So we went through the games and.

00:09:31 Speaker 2

You supported yourself through college through our school as.

00:09:35 Speaker 2

Far was it.

00:09:38 Speaker 2

3rd year.

00:09:40 Speaker 2

I was wrong assistant.

00:09:43 Speaker 2

Comma General Robert my both from nervous system problems, no department which paid US \$25.00 a month and now it's so weird for tax Commission during the Captain, 2 hours, 3 hours next and.

00:10:01 Speaker 2

So I was able to support myself and also have plenty of time studying the library.

00:10:08 Speaker 2

Worked out very well.

00:10:10 Speaker 2

I was number one in a lot of class.

00:10:11 Speaker 2

It seems to me you would have options to build list about.

00:10:14 Speaker 1

Anything she wanted to, certainly within Texas.

00:10:17 Speaker 2

Well, that's the rule was ruled before the world.

00:10:20 Speaker 2

We will run after rule today.

00:10:24 Speaker 2

But I'm going out in 1950, we.

00:10:30 Speaker 2

The couple celebrated.

00:10:31 Speaker 2

Cottonwood Jones was sinking over.

00:10:34 Speaker 2

We read member or but anyway, we're shipping or common to Europe and the German submarines would sink in the boots.

00:10:43 Speaker 2

We couldn't save them, made the comment below, but knew they had a movement.

00:10:48 Speaker 2

That is able to buy buy the tablet \$0.10 a pound and hold it, supposed to hold it throughout the year.

00:10:57 Speaker 2

And this will be replaced.

00:11:00 Speaker 2

But I was offered the first mastership but the university, but I still was murdered.

00:11:07 Speaker 2

And now we got a place down the Bay City and Rob stroked around everyone.

00:11:13 Speaker 2

Rob, stroke component.

00:11:15 Speaker 2

After being in a short time.

00:11:23 Speaker 2

But over, off the place, over here.

00:11:28 Speaker 2

Williams designer crowd were arrival and Bay City as a new lawyer.

00:11:33 Speaker 2

Ambitious time with a rather dramatic event that the weather.

00:11:37 Speaker 1

Was kicking out at the time.

00:11:41 Speaker 2

I'm running running August 15th.

00:11:44 Speaker 2

Through 250 rounds available where books.

00:11:53 Speaker 2

2nd about the rivers, the storm wasn't good for us.

00:11:59 Speaker 2

We got to the hotel for understanding, detailed with two or three buyers covered it out.

00:12:05 Speaker 2

I was 18 miles from the Gulf and here we go, swimming.

00:12:12 Speaker 2

Person with various celebration 1900.

00:12:15 Speaker 2

Still destroyed levels of virus and habits part of it so.

00:12:23 Speaker 2

Well, for protection, without the good destroying the Causeway or the green cars.

00:12:30 Speaker 2

We had all the paint glass windows running the spring base of it.

00:12:34 Speaker 2

It was quite an introduction to our career and a small city down along the Gulf Coast.

00:12:42 Speaker 2

Well, it wasn't long before we were in this country was involved in World War One, and I believe you were involved yourself.

00:12:50 Speaker 2

Taking both city and I guess about 1718 years before the war came out.

00:12:56 Speaker 2

'cause the government August 1915, the governor or April 1917.

00:13:02 Speaker 2

The time.

00:13:05 Speaker 2

Mccampbell under the voice capitalization is about to.

00:13:11 Speaker 2

Four years old.

00:13:12 Speaker 2

At the time.

00:13:13 Speaker 2

I organized a Boy Scout troop or the rules of the community and suddenly stopped.

00:13:20 Speaker 2

Boards are in Houston room, but take their Judge, William Holland, who recently retired after 30-40 years in the district bone shape. So I had.

00:13:30 Speaker 2

Remember our boys in Houston when I came to Houston, she world leader.

00:13:36 Speaker 2

What branch of the service we run?

00:13:40 Speaker 2

As the infantry.

00:13:42 Speaker 2

The April 1917.

00:13:47 Speaker 2

The report would immediately establish.

00:13:51 Speaker 2

I would never build 16.

00:13:55 Speaker 2

Training camp for officer officer training camps.

00:13:58 Speaker 2

When I was in San Antonio I would be on spoons and invited bang in maintaining like application for the Kingdom Australian School and.

00:14:11 Speaker 2

I'll be overrun with two other boys from Bay City and Tourist News.

00:14:16 Speaker 2

He was serving over the victim, the two.

00:14:21 Speaker 2

That being said, we should move to Houston, however accepted as.

00:14:27 Speaker 2

I replication of team first Australian camp, how long did that take to get your Commission well?

00:14:37 Speaker 2

This was great, but we will be implication accepted.

00:14:41 Speaker 2

We camped out waiting around the million springs on May the 12th, 1917.

00:14:50 Speaker 2

We've got another three months later.

00:14:53 Speaker 2

I was to 15th.

00:14:55 Speaker 2

It was a very severe treatment.

00:14:59 Speaker 2

Rush, hurry up. Rush covers.

00:15:06 Speaker 2

It seems that the 6th camps over the country only champion sponge really followed the programmability at the end of the road department.

00:15:17 Speaker 2

Almost done.

00:15:19 Speaker 2

Where University of Texas million boys there, few on the.

00:15:25 Speaker 2

Then they have the school must not only fight, they.

00:15:28 Speaker 2

Work from the school.

00:15:30 Speaker 2

They both are in the University of Texas.

00:15:33 Speaker 2

Published alone, that was acceptable camp.

00:15:39 Speaker 2

Given the graduation or they will have the lead students through five weeks before school was on and then.

00:15:48 Speaker 2

The subway Harvard campus, then we can't have followed the program in the same time.

00:15:52 Speaker 2

And that's what the.

00:15:55 Speaker 2

Taylor, who was writing for the inside even post for the campaign.

00:16:01 Speaker 2

Second, did you did you get overseas?

00:16:10 Speaker 2

There's 16 companies.

00:16:12 Speaker 2

We will compute companies.

00:16:15 Speaker 2

The only troop we were having horses, but the paratrooping way and two or three out everybody's death coastal trailer battery.

00:16:28 Speaker 2

I was waiting company.

00:16:32 Speaker 2

Will completely transform temperature along with three other companies.

00:16:36 Speaker 2

Further companies were selected to help organize a rule on Ashland Division.

00:16:45 Speaker 2

The longest division Texas, Oklahoma Division was ordered as a team.

00:16:50 Speaker 2

Travis was under construction and during Saint Vincent, Houston, San Antonio so widely within the 15th of.

00:16:59 Speaker 2

Almost reported the camp about the 1st of September.

00:17:04 Speaker 2

They proposed in this division and we were going around.

00:17:09 Speaker 2

I tried this division.

00:17:12 Speaker 2

How long did it take to put that together to a sufficient degree that it was capable?

00:17:16 Speaker 2

Of going overseas and.

00:17:17 Speaker 2

Well, this wasn't.

00:17:19 Speaker 2

Second time you might say 1917, we thought that.

00:17:27 Speaker 2

By early spring.

00:17:31 Speaker 2

Right after the first of the year in 1918.

00:17:35 Speaker 2

Second, I thought was really cool and I think we were, but there something divisions have precede this insurance.

00:17:35 Speaker 1

Right.

00:17:44 Speaker 2

A shorter moon that took one of our best moon was cash business.

00:17:48 Speaker 2

So we would choose.

00:17:51 Speaker 2

New group women serve as replacements, so you have.

00:17:54

To replace things.

00:17:57 Speaker 2

And we have been ready. We thought we heard it. I guess they needed to move overseas by new 1918.

00:18:09 Speaker 2

So maybe only we got the others to go.

00:18:13 Speaker 2

And my guess is June.

00:18:20 Speaker 2

We shipped out the.

00:18:22 Speaker 2

By several trees from Santa Maria to camp motivation.

00:18:28 Speaker 2

Long Island, New York.

00:18:32 Speaker 2

And forces dispatch and rebuild.

00:18:38 Speaker 2

I recall one incident Colonel Bates, that I think is interesting of reflects certain kinds of training within the foxholes.

00:18:47 Speaker 2

I don't really call them that at the time or not, but some people would raise up and others wouldn't well.

00:18:53 Speaker 2

Yeah, we will, we will, we will.

00:18:59 Speaker 2

Early January and we want the web code camp publish and ryskamp Springdale 2 bedroom.

00:19:09 Speaker 2

Both of July came around and we were selected by Regiment was selected then.

00:19:15 Speaker 2

Celebrate the people, celebrate the 4th of July and Liverpool.

00:19:20 Speaker 2

So we watched them.

00:19:23 Speaker 2

The flood at the water's edge would say, well, probably.

00:19:31 Speaker 2

Rama statue of George King George III.

00:19:40 Speaker 2

And the Lord will gave us some big banquet.

00:19:45 Speaker 2

It's stured and vibrator trembled and vivid on Medicaid.

00:19:47 Speaker 2

Enjoyable to the ground of your situation.

00:19:54 Speaker 2

When we took in Trenton for Southampton.

00:19:58 Speaker 2

When in Southampton.

00:20:01 Speaker 2

Supposed to take a vote?

00:20:03 Speaker 2

Cross the channel too hard?

00:20:06 Speaker 2

I vote that can't take our battalion.

00:20:10 Speaker 2

Received by submitting coming over after this so we went down to pull from.

00:20:14 Speaker 2

We got the news and had to go about spending overnight in Southampton.

00:20:22 Speaker 2

We both come and take us over in bed.

00:20:25 Speaker 2

And when we got we want to go, however, about the 10th of, I suppose a 10th of May, June, July.

00:20:34 Speaker 2

Right.

00:20:36 Speaker 2

And there was something up to get training for internal improvements.

00:20:46 Speaker 2

A little place called slightly longer movie.

00:20:50 Speaker 2

I was up the same river, just off the same river.

00:20:55 Speaker 2

Within seconds at that time, the last phase of the Battle of Shadow Food took place.

00:21:06 Speaker 2

We could hear leader in spirit of that position, but other than for training period.

00:21:11 Speaker 2

We want to be used if it's necessary.

00:21:16 Speaker 2

Despite the first, second and third division, that was in the battle.

00:21:23 Speaker 2

Shadow theater would hear the camera following the first introduction to the.

00:21:30 Speaker 2

After being in the training room for three or four or five six weeks when we went over straight to the front.

00:21:39 Speaker 2

With the superhero stadium out from 2.

00:21:46 Speaker 2

102 will borrow them.

00:21:57 Speaker 2

Outside the German Americans.

00:22:02 Speaker 2

And we have over 2 as a first introductions they run, but now we will leave the First Division with.

00:22:10 Speaker 2

The food.

00:22:15 Speaker 2

Up to this time, American troops have been be gated with the British and French troops.

00:22:21 Speaker 2

We have more available American.

00:22:22 Speaker 2

Remember, generation was in final open army to produce the same behavior, sodium.

00:22:30 Speaker 2

So we were putting the.

00:22:33 Speaker 2

Trenches stayed there through while two weeks true.

00:22:41 Speaker 2

Second, the total join.

00:22:47 Speaker 2

Second battle started.

00:22:54 Speaker 2

They were in February.

00:22:56 Speaker 2

Troops how?

00:22:58 Speaker 2

We write.

00:23:01 Speaker 2

The sodium which had to be, which the Germans had to hold, hold.

00:23:09 Speaker 2

Ever heard of our events so that the troops, the German troops in the deep statement to be evaluated, not be captured?

00:23:18 Speaker 2

So we have this very difficult time, most about children about 5.

00:23:26 Speaker 2

1000 troops in the division that we have looked largest losses would be.

00:23:32 Speaker 2

The Beijing will fight.

00:23:36 Speaker 2

And cultural competition.

00:23:38 Speaker 2

Second, which the objective.

00:23:46 Speaker 2

Captain Simpson hudby.

00:23:50 Speaker 2

I'll take the place of the major Major General Irishman I cash from liberating Houston moving to.

00:23:58 Speaker 2

Peru later generations have been shopping awake, paralyzed and have been.

00:24:07 Speaker 2

I'll come.

00:24:08 Speaker 2

I'll come to Colombia with his room shut off and.

00:24:13 Speaker 2

Captain to accompany Earth.

00:24:17 Speaker 2

Generation removed.

00:24:18 Speaker 2

Also been seriously wounded.

00:24:21 Speaker 2

We've activated.

00:24:22 Speaker 2

So Captain Simpson had been promoted leaders from Africa.

00:24:26 Speaker 2

Available to company.

00:24:28 Speaker 2

The board asked.

00:24:31 Speaker 2

Lives in charge of the town?

00:24:33 Speaker 2

Which objective is machine gun worst kipness being?

00:24:41 Speaker 2

2nd we have no position for counterattack.

00:24:48 Speaker 2

He sent me another officer trooper.

00:24:52 Speaker 2

Came over to see if he couldn't destroy this machine gun was that was kicking us from bigger room.

00:25:02 Speaker 2

I'll tell you which is.

00:25:05 Speaker 2

When the biggest football boots up the Uptown in the Western Front.
